The INTUITIVE HEART™

DISCOVERY GROUP

DEVELOPING ANOTHER WAY OF KNOWING

Guaranteed to increase harmonious interaction with others, this workshop is a must for professionals and the layman.

In six weekly sessions, two hours each, you'll explore the process of tapping into your own natural intuitive abilities.

SESSION 1: THE EXPERIENCE OF INTUITION

The first week, you'll discover how allowing an act of love and caring can create a strong bridge of intuitive understanding.

SESSION 2: KNOWING YOUR HEART

You'll be guided through a process of turning within, using the imagination to prepare yourself for receiving intuitive guidance. We will discuss how to dream for others in the group to help them with a question or problem through intuitive dreaming.

SESSION 3: DREAMING & INTUITION

Experience the telepathic power of your own dreams through collaborative dreaming.

SESSION 4: LISTENING WITH YOUR HEART

The fourth week focuses on gaining intuitive impressions based on listening to people - not what they say but how they say it.

SESSION 5: INTERACTION AND CONNECTION

You will make a connection with the feelings of another person, experience their energy level and allow tuning to their thought patterns.

SESSION 6: INSPIRATIONAL WRITING

The final session will explore improvisation and the spirit of play, discovering the importance of the child-like creativity in intuitive functioning.
